Subject: Regarding informing faculty members and students of your institute to enroll for SWAYAM and NPTEL courses.

Respected Sir/Madam,

SWAYAM and NPTEL is an initiative of Ministry of Education, Govt of India, for providing the good quality Engineering, Management, Humanities, Law and Science related resources to all. There are more than 1800 courses available for self study. These courses are open online courses – MOOC(Massive Open Online Courses) that are free to enrol.

The key features of SWAYAM and NPTEL are:

- Anyone, anywhere can study from these courses anytime.
- This semester more than 500 courses are offered online - free of cost.
- There are different durations of courses – 4/8/12 weeks etc.
- At the end of the course, a certification exam that has to be attended in person and is proctored, for which there is a nominal fee, is conducted in 150 cities in India, which includes Nanded, Latur, Aurangabad, Solapur and Pandharpur etc. that are closest to us.
- These courses can also be studied offline using smart phones and laptops etc.
- The course consists of videos every week, assignments and learners can interact with course co-ordinator through online discussion forum.
- Credit transfer under CBCS can also be availed by students through SWAYAM-NPTEL online courses, for which our University had already formed its own credit transfer policy.
- Advanced and elective courses are identified as FDP(Faculty Development Programmes).

Please visit the link: <https://swayam.gov.in/NPTEL> or <https://swayam.gov.in/> for registering to SWAYAM-NPTEL online courses. **I request all of you to enroll for SWAYAM-NPTEL courses through SRTMUN university's SWAYAM-NPTEL Local chapter.** Kindly bring it to notice of all faculty members and students and encourage them to enroll for these courses.
