Thus, those having knowledge of Spanish got a huge advantage in getting scholarships under this programme where Spanish has been a language of instruction, communication and even eligibility. Thus, this language can turn out to be an invaluable asset in shaping bright career of the students. Given the growing relations between India and the countries of Latin America and South America, knowledge of Spanish is essential to have a direct contact with the people of these regions. There is a huge Hispanic diaspora in the United States of America which makes Spanish the second most spoken language as well as the 2nd official language of the USA.

SCOPE & OPPORTUNITIES: There is an increasing need in the IT enabled industry for Spanish language experts. Learning this language prepares the students for a wide range of careers in various fields such as: MNCs & BPOs, Embassies, Education, Media, Translation & Interpretation, Government & Public Sector National & International Banks, Monetary Institutions & Agencies, International Publishing Houses, Tourism Industry, NGOs, Entertainment Industry (dubbing of serials, films and documentaries) etc.
