

INFORMATION ABOUT DIVYANGJAN-FRIENDLY, BARRIER FREE ENVIRONMENT ON CAMPUS

The S.R.T.M. University aims to provide an inclusive education framework for all and so strives to create a barrier free and divyangjan-friendly campus. Lifts, ramps, special toilets/bathrooms as well as specific facilities are provided in various campus buildings. A special reading hall for differently-able students, Braille books and assistive software (screen reading) and other equipment are available in the Knowledge Resource Centre. Scribes and additional time are provided at the time of examination as per the rules prescribed by the university. Divyangjan-friendly vehicles and equipment are provided to employees/students from time to time as needed, through donation/purchase by the university. The university website has a screen reader access which enables persons with visual impairments to access the website using assistive technologies.
