## **The Vice-Chancellor's Message**

**Dear Learners!**

The University Grants Commission is thriving hard for making higher education accessible to all. Though there is increase in number of colleges even in remote areas, the higher education remains inaccessible to many because of many reasons, such as social, financial and personal. In order to provide higher education to individuals who are not in the mainstream of education the external mode is one of the effective measures. With the availability of internet and web-based learning facilities, the External education has acquired a new dimension. In fact, the quality of education could be as good as main stream educational system. As a result, External education is being successfully implemented all over the world. Swami Ramanand Teerth Marathwada University, Nanded has taken a step in this direction and is successfully implementing the program.

The University is taking all efforts to provide the necessary guidance to the learners through various centers established at the colleges affiliated to the University. The University is also planning to make available the necessary educational material and also changing the syllabi and pattern of examination to suit the learners. This will certainly provide an opportunity to the students enrolled for upgrading their knowledge and bring themselves at par with regular students.

I extend my hearty welcome to the students joining the External mode and assure them that they will get the necessary help and guidance to enrich their learning experience.

I wish you all the best in your educational endeavor.

**Dr. Udhav V. Bhosle**  
**Vice-Chancellor**  
**S.R.T.M. University, Nanded.**

## **From the Director's Desk:-**

It gives me immense pleasure to welcome all the students. The Swami Ramanand Teerth Marathwada University, Nanded has already taken an initiative to open the Center of External Education for the educationally deprived people, the unreached students in this region and those working in the various sectors. In India external education opportunities at the University level have increased enormously. Most of the conventional Universities have been running Distance Education Programmes on their campus more emphasis is given to Distance and External mode during Covid-19 outbreak.

Recently, there has been a tremendous awareness throughout the country about the significance of higher education but the conventional system seems not able to accommodate the increasing demand of the students. Therefore, the spread of higher education through distance and external mode is getting worldwide recognition and acceptance.

The Centre of External education of this University through its Sixty Three study centres is striving hard to impart quality education. Presently the number of students enrolled in these centres is around five thousands. The Centre of External education has the potential for fulfilling the desire and dreams of all the stakeholders.

I wish the learners all success!

**Dr. Ramjan M. Mulani**

**Director**

**Center of External Education.**

### **13. Learning Methodology:**

The learner of the open and distance education is an adult learner, who is engaged in service and business and who is unable to attend College, University regular classes due to his job, service and profession. These learners are unable to give sufficient time like the regular students in conventional system. The distant learners of this University are adult learners. The centre for distance education, SRTM University, Nanded has been developing syllabus and self learning material based on distance mode.

- Counseling, guidance of the expert in the contact session.
- Group discussion, presentation, question bank.
- Practical if required.
- Provision of photo copies of the topics in the prescribed books.

### **14. Syllabus of External Education:**

The Department of External Education of SRTM University has developed the syllabus for the external education with the help of Deans and the Chairmen of the Language, Social Sciences, Commerce and experts in the Colleges of this region.

These committees initially, designed and developed the curriculum for the M.A. Programme in humanities and M. Com programme in Commerce. The deans, Chairmen Members of the BOS of various subjects and the expert professors took pains taking efforts to design and develop the syllabus for subjects. The M. A. programme, during the academic year 2016-2017 consists of Marathi, Hindi, English, Sanskrit, Urdu ,History, Sociology, Political Science, Economic, Philosophy and Public Administration. The development of M. Com Programme syllabus is started in the academic year 2019-20. From the academic year 2023-24 department started Pali course in humanities. The detail syllabus is available at the University website for further references

### **15. Contact Sessions and Counseling:-**

The Co-ordinator of the Study Centre in consultation with the Head/Principal should conduct contact sessions course wise and paper wise. The Study Centers are expected to send the copy of the contact session time table to head office and also expected to maintain attendance of the student, staff accordingly. The study centre must be well equipped with furniture, electricity, water supply, seating arrangement library, computer and internet and these facilities should be provided to the learners. The contact sessions must be conducted in the vacation, on holiday and after office hours. The subject wise, period wise and teacher wise time table should be prepared. The counselors are not expected to

teach and arrange lectures but they are expected to provide discussion, two-way communication on the points they would be discussing. The teacher and learners should have interaction based on the points delivered. The table of the contact sessions is shown below.

| Sr. No. | Course                     | PG     |
|---------|----------------------------|--------|
| 01.     | Contact Sessions each term | 10     |
| 02.     | Contact Sessions each year | 20     |
| 03.     | Contact Session duration   | 90 min |

Besides counseling the counsellor is expected to arrange guest lecture, group discussion, presentations, field visit field work during the contact session.

### **16. The Self Learning Material (SLM) :**

This self-Learning Material is the key factor in Open and distance education. The distance learners, mostly, depends upon the self-Learning material provided to them at the study centres because this material plays the role of teacher in every sense Previously the self-learning material was not provided to the distance learners as they had to rely on the course material of their conventional syllabus. But for the academic year 2017-18, we have been preparing the self learning material for the M.A. Part One and Part Two programme in the subjects of Marathi, Hindi, English, Urdu, Pali, History, Sociology, and Political Sciences, Public Administration and Economics, Each part of M.A. Programme Consist of four papers as we call them blocks, so the total blocks for the M.A. Part One and Two will be 36 blocks respectively. Hence we are printing and producing blocks for the M.A. part one and part two. These books will be circulated among the Study Centres for the admitted distance learners of external mode.

### **17. Examination and Evaluation Procedure:-**

For the Post Graduation course Master of Arts annual pattern examination system has been adopted. Each paper University examination will be 100 marks.
