About SRTM University

The Swami Ramanand Teerth Marathwada University, Nanded is a NAAC 'A' grade accredited University and was established in 1994. This University is catering to the educational needs of Marathwada region by providing quality education. It has beautiful campus spread over 550 acres of land and has holistic and huge infrastructure. With 17 schools at main campus, it also has one sub-campus at Latur and one University constituted New Model Degree College at Hingoli.

About IQAC Cell

The Institutional IQAC has been constituted to sustain quality in each and every activity which has been conducted to bring academic excellence in the University. The quality sustenance and enhancement through IQAC have been out consistently to result in best practices of the institution. This cell has made remarkable achievements in introducing various unique practices in teaching and learning, evaluation reforms, university-industry tie-ups, advanced researches with state-of-art equipment, good governance, student support services, social extension and welfare practices.

National Seminar and its objective

Higher education institutions are the drivers of this developing economy which produce not only skillful graduates but also true citizens for the economy. This seminar focuses on various advantages of recent trends in teaching, learning and evaluation. It will also focus on the different models of teaching, learning and evaluation.

It also covers:

- The needs of the learner
- The achievable goals & objectives to meet the needs
- Selection of the content to be taught
- Motivation to carry out the goal,
- Approach: Most fit to carry out the goals
- Evaluation process to measure learning outcome
- Behavioral learning theories
- Cognitive learning theories
- Use of virtual learning models

Expected outcome

- Participant will upgrade knowledge about current development process of teaching, learning and evaluation.
- Participants' will learn from expertise given by the NAAC officials and other invited speakers. They will take home relevant ideas and information about recent trends in teaching, learning and evaluation that will directly be applicable to their colleges for continuous learning and upgrading the quality in teaching and learning.

Eminent Persons

The eminent personalities from Academia, Research Institute and Industry will give insightful knowledge of teaching, learning and evaluation.
