## About S.R.T.M. University, Nanded

The University was established on September 17, 1994 by the Government of Maharashtra. The University has celebrated 25 years of excellence in the field of education and research this year (2019-20).

The University has been named after Swami Ramanand Teerth the Doyen of the Hyderabad Liberation Struggle and also a renowned educationalist and social activist. The University is to cater for southern part of Marathwada Region of Maharashtra State, specifically to the districts of Nanded, Latur, Parbhani and Hingoli.

This university is one of the youngest university that could obtain 2(f) and 12(B) recognition of the UGC and also has achieved recognition, name and fame at the State, National and International level. The noteworthy recognition as ‘A’ grade university by the National Assessment and Accreditation Council (NAAC) testifies the claim.

The University has 14 Schools on campus and sub-centers at Latur and Parbhani, a constituent college - New Model Degree College at Hingoli and academic and research centers like Dr. Babasaheb Ambedkar Chair and Study Centre, Shri Guru Govindsinghji Adhyayan Sankul & Research Centre and Late. Uttamrao Rathod Tribal Development and Research Center at Kinwat. University has 300 plus affiliated colleges under its jurisdiction in the four districts Nanded, Parbhani, Hingoli, and Latur having 146 courses with student strength of 1.63 lakhs and 4000 plus students through distance education mode. University host more than 70 foreign student's for PG and Ph. D programs across five countries and efforts are going on to increase this number and nationality.

University has received financial assistance from RUSA, DST, UGC and other state and central funding agencies for development of academic infrastructure amenities, research and extension activities. University has earned substantial fund through consultancy and technology transfer scheme. The professors and researchers of university have invented, patented and commercialized many ideas. Noteworthy achievement of the University is the invention and design of the drug named ‘Disocal’ which is very influential in eradicating urinary stone. The teachers and researchers have got many research projects of worth Rs. 12.5 crore whose academic and social value is remarkable and are patented by the school. The professors and students of this university have received recognition at the national and international level for their contribution in teaching, research, and innovation and extension activities.

This is the only University having a Centre of excellence in seismology in Maharashtra. The university is equipped with advanced research instruments like NMR. University has established Inter-University Centre for Astronomy and Astrophysics (IUCAA) for research and development. This University intends to enhance industry-institute interaction and industry participation for industry-sponsored projects, student internship, industry mentor, etc. and has entered into MoUs with many industries. Similarly, the University has entered into MoUs with national and international universities like Hanyang University, University of Malaysia, Indian National Centre of Ocean Information Services (INCOIS), and Indian Institute of Chemical Technology (IICT Hyderabad). University is academically linked with European nations through the Erasmus Mundus scheme.

## About the Workshop

It is heartening that National Assessment and Accreditation Council (NAAC) has brought in new spirit into its process of assessment and accreditation. This has been attempted as a continuance of the NAAC's concern for ensuring that its processes are in tune with local, regional and global changes in higher education scenario. The revised process is being adopted from July 2017. The main focus of the revision process has been to enhance the redeeming features of the accreditation process and make them more robust, objective, transparent and scalable as well as make it ICT enabled. It also has reduced duration of accreditation process.

## About NAAC Accreditation:

The National Assessment and Accreditation Council (NAAC) is an organisation that assesses and accredits higher education Institutions (HEIs) in India. It is an autonomous body funded by University Grants Commission of Government of India headquartered in Bangalore.

NAAC was established in 1994 in response to recommendations of National Policy in Education (1986). This policy was to "address the issues of deterioration in quality of education", and the Programme of Action (POA-1992) laid out strategic plans for the policies including the establishment of an independent national accreditation body. Consequently, the NAAC was established in 1994 with its headquarters at Bengaluru.

## Grading

The NAACs grades institutes on an eight-grade ladder:

Range of institutional CGPA	Letter Grade	Performance Descriptor
3.51 – 4.00	A++	Accredited
3.26 – 3.50	A+	Accredited
3.01 – 3.25	A	Accredited
2.76 – 3.00	B++	Accredited
2.51 – 2.75	B+	Accredited
2.01 – 2.50	B	Accredited
1.51 – 2.00	C	Accredited
≤ 1.50	D	Not Accredited

## Benefits of NAAC Accreditation

- Institution to know its strengths, weaknesses, and opportunities through an informed review process
- Identification of internal areas of planning and resource allocation
- Collegiality on the campus
- Funding agencies look for objective data for performance funding
- Institutions to initiate innovative and modern methods of pedagogy
- New sense of direction and identity for institutions
- The society look for reliable information on quality education offered
- Employers look for reliable information on the quality of education offered to the prospective recruits
- Intra and inter-institutional interactions

The present workshop will focus on various issues related to the terms and conditions, eligibility criteria for NAAC Accreditation process. This workshop will help all affiliated colleges of Swami Ramanand Teerth Marathwada University so as to achieve best possible outcome.
