For University Campus – School Syllabus

SCHOOL OF FINE & PERFORMING ARTS

BACHELOR OF PERFORMING ARTS
(BPA)

Third Year (Semester V & VI)

Under the Faculty of
Interdisciplinary Studies

Effective from Academic year 2025 – 2026
(As per NEP-2020)

Forward by the Dean,
Faculty of Interdisciplinary Studies

National Education Policy 2020 has been announced on 29.07.2020 by the Government of India. NEP 2020 proposes a new and forward-looking vision for India's Higher Education System through quality universities and colleges. Its key is in the curriculum and its practical implementation. NEP 2020 foresees more vibrant, socially engaged, cooperative communities and a happier, cohesive, cultured, productive, innovative, progressive, and prosperous nation. The introduction of Research Methodology and ethics will widen the vision and broaden the perspectives of the learners.

The curriculum must be exciting, relevant, and regularly updated to align with the latest knowledge requirements and meet specified learning outcomes. High-quality pedagogy is necessary to impart the curricular material to students successfully; pedagogical practices determine the learning experiences provided to students, thus directly influencing learning outcomes. The assessment methods must be scientific, designed to improve learning and continuously test the knowledge application.

When syllabi are developed and framed appropriately at University, it will result in the upbringing and nourishment of multidisciplinary and holistic citizens. Emphasis is on outcome-based learning. Every course has well-defined objectives and outcomes. The assessment guidelines also provide clarity and precision to the vision behind prescribing the particular course content.

The syllabus of four year undergraduate bachelor course is a reformative and constructive step in the effective implementation of National Policy on Education 2020 by the Swami Ramanand Teerth Marathwada University. It is a product of rigorous exercise undertaken by the respective Board of Studies of the University which was prepared the guidelines provided by the steering committee set up by the Government of Maharashtra. This syllabus reflects the philosophical foundation through documents on National Education Policy 2020 which was provided by the Ministry of Education of Government of India and University Grants Commission, New Delhi.

This syllabus consists of content and activities that will empower the students for inculcating 21st century skills. The highlights of syllabus offers; holistic, inter- multi-trans disciplinary approach, research component, flexibility, technology embedded teaching-learning, value based and skill enhancement, which defines educational experience and opens up a whole new world of opportunities.

This syllabus structured on various predefined verticals that includes major subject and minor subject, generic or open electives, vocational and skill enhancement courses, ability enhancement courses, value education courses, Indian knowledge system, co-curricular courses which will be leading towards graduation and perusing their career thereafter. There are total eight semesters for four year undergraduate course where, each semester is of 22 credits and students will have to choose semester wise specific vertical carefully.

Introducing Case Studies and Field Projects has created a unique opportunity for the higher education institute to bridge the gap between the academia, industry and the community, NEP believes effective learning requires a comprehensive approach that involves an appropriate curriculum, engaging pedagogy, continuous formative assessment, and adequate student support.

We are sure that the Graduate centers of this university and its affiliated colleges will implement the course effectively and successfully, resulting in a healthy and more creative academic ambience.

The design and development of syllabus is a continuous process, therefore all these syllabi are constantly under review. It is a request to teachers and students to suggest addition and changes in the present syllabus for supporting bright future of the learners.

Professor Dr. Chandrakant Ragho Baviskar

Dean (IC), Faculty of Interdisciplinary Studies

Swami Ramanand Teerth Marathwada University

Nanded- 431 606 (Maharashtra state)

From Desk of Chairman,
Board of Studies in Fine & Performing Arts in
Interdisciplinary Studies

Preamble:

I, as Chairman, Board of Studies in Performing arts SRTM University Nanded, happy to state here that, Program Educational Objectives were finalized in a meeting where more than 10 members from different Institutes were attended, who were either Heads or their representatives of Music Department. The Program Educational Objectives finalized for under graduate program in Music are listed below :

Objectives :

This is a Bachelor's degree course in Hindustani Classical vocal music with emphasis on teaching a nuanced interpretation of different ragas. The training imparted during this period is focused on developing the student's ability to critically analyze the different notions of performance practice. The student is imparted training at an advanced level with focus on the performative element as well as scholarly knowledge of Hindustani classical vocal music.

Learning outcomes :

The student attains a degree of maturity and rigour in the understanding of raga structure, presentation of the bandish, improvisational techniques and the application of all these aspects in performance practice. This course enables the student to develop a criticality in musicology in tandem with practical knowledge. After the completion of the BPA Music course, a student may find employment opportunities in schools, colleges, universities as a music teacher, independent practitioners of classical music, performers in Radio and television media and music researchers.

Guidelines for Course Assessment :

A. Continuous Assessment (CA) (20% of the Maximum Marks) :

This will form 20% of the Maximum Marks and will be carried out throughout the semester. It may be done by conducting **Two Tests** (Test I on 40% curriculum) and **Test II** (remaining 40% syllabus). Average of the marks scored by a student in these two tests of the theory paper will make his **CA** score (col 6).

B. End Semester Assessment (80% of the Maximum Marks):

(For illustration we have considered a paper of 02 credits, 50 marks and need to be modified depending upon credits of an individual paper)

1. **ESA Question paper will consists of 6 questions, each of 10 marks.**
2. **Students are required to solve a total of 4 Questions.**
3. **Question No.1 will be compulsory and shall be based on entire syllabus.**
4. **Students need to solve ANY THREE of the remaining Five Questions (Q.2 to Q.6) and shall be based on entire syllabus.**

C. Assessment of Co-Curricular courses (CC) :

- a. Continuous Assessment (CA) of the CC course shall be done by the respective course coordinator depending on the regularity, performance of a student and his participation in the international, national, state, university, college level events or camps, wherever applicable.
- b. End Semester Assessment (ESA) shall be done on the basis of the write-up and presentation by the student on the activities that he has carried out throughout the semester.
- c. Students have freedom to take more than one CC courses, however, marks of the best performing CES shall be considered for final assessment.

D. Syllabi, Teaching Scheme and Examination Scheme for the courses in Column 7 and Column 8 (AEC, VEC, IKS, CI, EVS, CCs, etc.) shall be common for all students from different faculties.

Note : Number of lectures required to cover syllabus of a course depends on the number of credits assigned to a particular course. One credit of theory corresponds to 15 Hours lecturing and for practical course one credit corresponds to 30 Hours. For example, for a course of two credits 30 lectures of one hour duration are assigned, while that for a three credit course 45 lectures.
